

Department of Political Science

Department of Political Science established in the Academic Year 1997-1998 in Faculty of Arts. It conducts courses at F.Y. and S.Y. Level under 3 Years integrated bachelor's Degree Programme and Remedial Course in Political Science from the Establishment year of our Institute.

The Department is committed to the pledge for **Creating Future's Responsible Citizens of our country**. Who are going to be the "**Architects of Modern India/ New India**". That's why we have created learner's centric curriculum which will give them an insight of Indian Political System, Indian Administrative System, and Public Administration. In addition to that we make learners aware about the core of Political Science that is nothing but the Political Theory, Ideology, Basic Political Concepts like Power, Authority, Legitimacy, Rights, Democracy, Justice, Law, Equality, etc.

After getting an Autonomous status from University Grants Commission, New Delhi in academic year 2019-2020 we have incorporated various current issues i.e., Election Reforms, Latest Constitutional Amendments, Anti Defection Law and various case studies related to it in our curriculum so that our syllabi will fulfil the demands of society as well as industry.

From Academic Year 2023-2024 our institute is implementing National Education Policy 2020 with full spirit. In which learners will not only learn traditional core subjects but also various Skill Enhancement Courses, Ability Enhancement Courses for employability generation along with Co-curricular Courses i.e., N.S.S., N.C.C., Performing Arts, Physical Education for the overall development of learners who is the main stakeholder of our college. Department organizes various activities like Guest Lecture by External Expert, Study Visit, Elocution Competition, Debate Competition, Quiz Competition, and Deputation of Learners in various competition.

Research is considered as a sole of higher education. That's why we believe to inculcate research values in our learners by various means from the beginning of his/her journey in our institute. We depute our learners in Avishkar Research Convention with community-based projects at College Level, Zonal Level and University Level. In which our learners identify issues from their surrounding and analyze it with scientific techniques and make certain conclusion along with recommendations.

Talking about the Best Practices "Youth Parliament" is one of them, in said activity we give first hand experiences of "Parliamentary Proceedings" to our learners and make them understand about Law Making Procedure of our country.
