

Profile of the Department of Accounting & Finance

The department of Accounting & Finance was established in the academic year 2004-05 and offers specialty programmes. Six hundred students are enrolled during the academic year for this course. Accounting & Finance association of our department organized various student oriented activities like various competitions, seminars, workshops, brain storming sessions, Industrial visit which helps in molding and shaping the overall personality of our students.

Our aims and objectives is to inculcate practical approach amongst the learners by using innovative technology in the field of Accounting & Finance as per the global scenario in the market , also to equip the learners with fundamental accounting skills and principles necessary for the preparation of books of accounts and financial statements. We prepare learners with theoretical and practical skills in ICT to enable them compete favorably in today's knowledge economy.

We have certificate courses of Tax Accountant, Accounting standard and certificate course in Export and import Management to provide the focused approach of the study in the subject of accountancy and taxation and we have Diploma Courses of Business management and Banking and Finance and also offering remedial courses in financial Management & cost accounting. We always make efforts to motivate the students to go for professional courses like Chartered Accountant, Cost Accountant and Company Secretary, etc.
