

## **Department of commerce**

The Department of commerce is one of the oldest department and was established in the year 1997-1998.

Commerce has been a versatile area of the study right from its beginning. The faculty of Commerce has programmes at graduate, post graduate and research levels. It offers three years Bachelor degree in commerce, two years Master degree in commerce (M.Com.) .The department also offers various certificate and remedial courses for the benefit of its learners.

The college is a Research Centre in the subject of Commerce for Business Policy and Administration recognized by University of Mumbai. The Commerce and Management Resource Centre of our college has been specifically designed to bring about self-awakening within its users so that they embark on a life-long journey of contributions with a power to transform. It helps the learners in deeper assimilation of knowledge.
