B. Sc. Fashion & Apparel Design

Department Profile: B.Sc. in Fashion & Apparel Design

Fashion designing is an exciting and dynamic career, driven by creativity, innovation, and the ability to set new trends in the industry. At **B.C. Thakur Centre for Skill Development**, we proudly offer the **B.Sc. in Fashion & Apparel Design**, a program dedicated to nurturing the next generation of fashion professionals. Established in **2003**, our department aims to encourage students to examine the past, challenge the present, and create a bold vision for the future. We instil inventive, assertive ideas that question norms and inspire change—equipping students with the skills, opportunities, and above all, the freedom to turn their vision into reality.

With an emphasis on **80% practical learning**, our curriculum covers:

- Elements and principles of design
- Drawing, colour theory, and art foundation
- Core fashion theory subjects
- Pattern making, fashion illustration, and art appreciation
- Surface ornamentation techniques

Students gain hands-on experience in designing, enabling them to confidently undertake freelance work and enter the fashion industry with practical skills from the start.

We focus on **entrepreneurial skill development** and encourage students to create their own signature designs, showcased at the college's prestigious "**Nirmitee**" **Fashion Show**, an annual event held for the past 20 years. This platform helps students understand **fashion trend forecasting, market surveys, and fabric research**, while building industry confidence.

Our students also benefit from:

- **Industrial visits** to gain real-world exposure
- **Internships** at renowned fashion design houses
- **Workshops and guest lectures** by industry experts
- **Career advancement programs** to develop design thinking and business acumen

Graduates are industry-ready for roles such as:

- **Fashion Designer**
- **Pattern Drafter**
- **Merchandiser**
- **Fashion Illustrator**
- **Boutique Owner / Entrepreneur**
