Student Centric Methods

- Being an educational institution, all activities of college are student centric.
- The departments have individually standardized some regular activities and made them more learner centric.
- Many such activities are organized through committees/associations.
- Through these activities, college imparts participative learning, experiential learning and problem solving learning.
- Community Oriented Projects which is an activity conducted by NSS in association with all department, encourages learners to identify the problems of society and to find a solution through their subject knowledge.
- Arts association, Commerce association, Science association of college organizes various activities that provide opportunity to the learners for participative learning.
- Avishkar research association of college encourages learners to undertake research projects and present their findings at different levels such as Zonal, University, State and National Level.
- Departments like Computer Science, Information Technology, and Microbiology have their own department level learner associations through which subject related learner centric activities are organized.
- Besides these, the departments organizes seminars, Quiz, Guest lectures, Group discussions, Learner's presentation, Industrial visits to enhance learner's interest in the subject and to decide his/her career goal.
- Activities organized by Cultural committee, Gymkhana association, National Service Scheme, National Cadet Corps, DLLE, and Women Development Cell provide platform to the learner to upgrade and present their skills, to learn life-skills and to achieve an all-round personality development.
