Re-accredited 'A+' Grade by NAAC (3rd Cycle-CGPA 3.61)

'College with Potential for Excellence' Status Awarded by University Grants Commission
'Best College Award' by University of Mumbai

Academic Year 2020-21

Use of ICT Tools

Academic year 2020-21 witnessed an unprecedented situation where learners were unable to come at the college for regular academic sessions due to Covid – 19 pandemic. There were many issues for using online meeting mode for teaching learning process as both faculty and students were not familiar with it. The college administration tried various online platforms such as WebEx, Zoom, Google-Meet, MS-Team, Moodle and conducted online demonstration for faculty to understand it's working. The college finally selected Microsoft-Teams as a platform for **online teaching-learning process** and learning management system.

Faculty were trained for use of MS-Teams for online lecture delivery. Faculty used several other ICT tools with MS Team for effective delivery of lecture such as-

1. Microsoft PowerPoint Presentation
2. Microsoft-White Board
3. Google Jamboard
4. Educational videos from YouTube
5. V-lab for virtual demonstration of experiments
6. Online assignment submissions using MS-Team, Google Classroom, WhatsApp Messaging service etc.
7. Lectures were being recorded and made available to the students through MS-Team
