Preamble of the Syllabus

Bachelor of Arts (F.Y.B.A.) in Political Science is a under UG course of Department of Political Science, Changu Kana Thakur Arts, Commerce & Science college, New Panvel (autonomous) The Choice Based Credit and Grading System to be implemented through this curriculum would allow students to develop the disciplines of his/her liking and abilities. This syllabus is prepared to get knowledge and understanding of Political Science. The goal of the syllabus is to study of Politics at for the learner with the idea about the Indian Political System. The fresh learners of Politics will be introduced to the Constitution of India and its basic structure, parts, provisions, working of the Indian Parliament and other contemporary issues, developments in the electoral politics, and build a strong foundation for their further study in the subject. This syllabus would help to cultivate critical understanding of issues such as coalition politics, political parties and their working, social dynamics of politics, challenges to the internal security which remain extremely necessary and things that are pertinent for any learner in Politics. The present syllabus therefore focuses on providing this insight to the students while making them aware of the selected issues and themes in Indian politics as they emerge with specific focus on Fundamental Rights and Directive Principles of State Policy. These units will be covered with a deep study of case related to laws and amendments, focused study on the Union and State: Legislature and Executive and Judiciary of India, Election Commission of India their composition, powers and functions and contemporary developments, discussions and debates, study tour, will also be covered in the First and Second Semester.

OBJECTIVES:

1. To introduce to the Constitution of India.
2. To understand the philosophy of Indian constitutions.
3. To sensitize and create awareness among students about their Rights and Duties as a Citizen.
4. Assessing the nature of Indian Federalism with focus on Union-State Relations.
5. Critically analysing the important institutions of the Indian Union: the Executive: President, Prime Minister, Council of Ministers; Governor, Chief Minister and Council of Ministers, The legislature: Rajya Sabha, Lok Sabha, Speaker, Committee System, State Legislature, The Judiciary: Supreme Court and the High Courts: composition and functions- Judicial Activism.
6. Studying the process of interaction between society and politics in contemporary India- Caste, religion & gender.
7. Examining the role of Political parties in Indian Democracy.
8. Evaluating the Electoral Process in India with focus on the Election Commission: Composition, Functions and Role.

OUTCOMES:

1. Students will find about the important role played by the Constitution in making of today's modern India.
2. Identify and explain the Central & State institutions, procedures, and decision-making processes of the Indian political system.
3. Help to understand the significance and the role of Centre and State governments in the Indian federal system.
4. Will help to develop a deeper understanding of the institutions, politics, processes and services of state and local self - governments.
5. Will aid in analysing the influence of media on political institutions and the public.
6. Identify and explain the historical development and contemporary structure of Indian National political parties.
7. Understand the role of caste & religion in Indian politics and processes in both a historical and contemporary context.
